This is a separate optional two-day gilding workshop. Students will be taught the technique of water gilding. Water gilding is a traditional and highly skilled technique used for the gilding of icons. During this workshop we

learn all the stages of water gilding using 22 carat gold leaf. The last stage of the process is applying the clay bole and finally burnishing the gold with an agate stone which results in gold that is smooth and shines like a mirror, obtaining a brilliant and very impressive effect. Tuition fee: \$270. Students participating in both icon painting and water gilding workshop will pay only \$220 for the gilding workshop.
